## **Ten Year Record of Saemangeum Development and Investment Agency**

---

### **- A White Paper on 10 year record of Saemangeum Project**

Saemangeum Development and Investment Agency (SDIA, Administrator Kim Kyung-ahn) published a white paper – the efforts and achievements in Saemangeum over the past decade.

The White Paper summarizes the developing process of Saemangeum Project and achievements of the past ten years.

Administrator Kim said in the preface, “SDIA is opening an era of investment promotion after the era of establishing the foundation. Since the inauguration of the Yoon Suk Yeol’s Government in May, 2022, SDIA has succeeded in 10 trillion\* investment promotions, being a trailblazer of global high-tech industry. SDIA appreciates the national support for the Project and all the officials who have worked for Saemangeum.”

\* 6.7 times more than the total investment promotion (KRW 1.5 trillion) over nine years since the launch of SDIA

The White Paper, ten-year-footsteps of SDIA, consists of

three parts and appendix showing the amazing development and success stories of Saemangeum Project.

Part 1 (Saemangeum Project) explains the launch of Saemangeum Project, the completion of Saemangeum Seawall, the launch of Saemangeum Development and Investment Agency, and the Saemangeum Master Plan.

Part 2 (Growing and Development) includes the process and achievements in five developing sections – infrastructure, investment promotion, future strategic industry base, and tourism & leisure.

Part 3 (Future of Saemangeum) contains the diagnosis of the past decade and future challenges in Saemangeum.

Part 4 (Appendix) shows the process of Saemangeum Project, the Saemangeum Committee, the status of staff, and the review of the White Paper.

The White Paper is to commemorate the 10<sup>th</sup> anniversary of SDIA. It took eight months from April 2023 to January 2024.

\* The task force meeting for the White Paper presided by Vice Administrator in April 24, 2023

Chung In–kwon, Director General of Planning and Coordination Bureau said, “We wish that the White Paper would be a

valuable resource as a record of Saemangeum Project.” He also wished that the footsteps of 10-year-record would attract public interest and support to Saemangeum.
